COMING EVENTS—SEE PAGES 4-5-6-7

Esten Asprey Fletcher, 33°

ESTEN ASPREY FLETCHER was born on July 23, 1869 in the town of Ivy in Ontario. His father was a lumber merchant and he followed in the footsteps of his father.

In 1900 he came to Rochester, N. Y., where he formed a partnership with Frank H. Phelps and the lumber firm of Phelps and Fletcher was located for many years on Allen Street. In 1917 he retired from business.

He is married, but has no children.

His Masonic record began in 1902, when he received his degrees in Corinthian Temple Lodge, No. 805, F. & A. M.

In 1917 he assisted in the formation of Zetland Lodge, No. 951, and became its first Master. He served the Grand Lodge as Senior Grand Deacon in 1925, 1926 and 1927.

He was exalted to the Royal Arch in Ionic Chapter, No. 210, March 27, 1906 and the same year became a member of Cyrene Commandery, No. 39, receiving the Order of the Temple May 11, 1906.

The work in this branch of the order appealed to him, and he accepted office, advancing regularly to Eminent Commander in 1912.

In the Cryptic Rite he was received in Doric Council, No. 19, March 22, 1916.

In the Scottish Rite he received his degrees in 1903, being created a S. P. R. S. November 19, 1903. He immediately took an active part in the work of the Consistory, and for a quarter of a century has been one of the active moving spirits of that body. He served as Sovereign Prince of Rochester Council of Princes of Jerusalem in 1909 and as Commander-in-Chief of Rochester Consistory from 1914 to 1920.

In recognition of his loyal and faithful service he was crowned a Sovereign Grand Inspector General, 33°, in Philadelphia, September 16, 1913.

He became a member of Damascus Temple, A. A. O. N. M. S., December 2, 1903, and served as Potentate in 1911.

He is also a member of the Red Cross of Constantine, the Royal Order of Scotland, Royal Order of Jestors and Lalla Rookh Grotto. He is at the present time a Trustee of Zetland Lodge, Cyrene Commandery and Rochester Consistory.

He has been deeply interested in the building of the new Masonic Temple, and has served as president of the Rochester Masonic Temple Association since its organization.

He has also served as President of the Builders' & Traders' Exchange of Rochester, as president of the New York State Lumber Dealers' Association, was for many years a Trustee of the Rochester Chamber of Commerce, was a member of the City Planning Commission of Rochester, and during the World War served on the War Industries Board. At the present time he is Chairman of the Monroe County Planning Commission, a director of the Rochester Automobile Club and director of the Central Trust Company of Rochester.

Potentate's Message

THIS message to you is one of good cheer and optimism and my earnest request is for your continued sincere and hearty coöperation.

Within our Temple good fellowship prevails. This is the true spirit of Shrinedom and the more it is practiced the wider the gospel will spread. Remembering that we only get out of this life what we put into it. Nobles, let us keep up our good work and along with good fellowship keep our shoulder to the wheel and push Good Old Aleppo upward and onward, and make it the outstanding Temple in North America.

We are to be honored by an official Visitation of the Imperial Potentate, Esten A. Fletcher. He is to be received by the Divan at 6:30. It is my desire that as many Nobles as possible be in their seats at this time to give our Imperial visitor a genuine Aleppo greeting.

Please wear your Fez.

Your Potentate's one regret is that on account of the expense incident thereto, the uniformed bodies will not attend the Imperial Council session this year. However, I am happy to state that all the units are in accord with this view and consequently are entitled to your hearty commendation.

Do not let your efforts lag in the endeavor to secure new candidates. It is only by the infusion of new blood into the membership that your Temple can carry on to greater activities. Join the 500 Club.

I want to thank the Nobility for supporting the new activities which have recently been tried out. By reading this notice carefully you will find details of coming events.

Yours for Aleppo,

Esten A. Fletcher

Potentate.

Shriners' Hospitals for Crippled Children

Shriners' Hospitals for Crippled Children!—Five short words—yet how they continue to spread their comforting message of hope and cheer from East to West, from North to South—in and out and up and down the length and breadth of this great land. How they echo and re-echo, reaching each year to more remote regions—falling like music on the ears of hundreds and thousands of suffering and tortured little souls, calling them down the road to health and happiness.

To enable helpless children to help themselves has been the ultimate purpose of our activities, and through the execution of this purpose we feel the highest expression of true charity has been reached.

Surprising growth sometimes follows a small beginning, and it was with the object of starting but one hospital for the treatment and relief of crippled children that Noble W. Freeland Kendrick, at Portland in 1920, advanced his idea of a small annual contribution from each member of the Shrine, for the purpose of establishing and developing such an institution. In 1921 the Imperial Council at its meeting in Des Moines, adopted a resolution authorizing the carrying out of this plan as recommended, the annual assessment of \$2.00 per year per member was decided upon as being sufficient to cover the expense of building, equipping and putting in operation such a hospital, and plans and arrangements were immediately formed toward the execution of this inspired charity.

The requirements for admission to our hospitals are comparatively few. No limitations of race, or creed are recognized. Children must be under fourteen years of age, of normal mentality, and their disability of such a nature that material improvement or positive cure may be reasonably expected. In addition to these few specific rules, the parents or guardians must be unable to pay for any services rendered. There are no pay or part pay patients.

The Board of Trustees of the Shriners' Hospitals for Crippled Children is frequently asked for information by the legal representatives of friendly disposed Nobles and friends who wish to aid the Shriners' movement by making contributions in their wills. The information sought is usually as to the surest method of leaving sums of money to further the work.

To clear up the situation and to make it perfectly plain what should be done, legal representatives of the Board of Trustees have compiled the information found in the following paragraphs pointing out how such generosity may be carried out in a legal manner, and to make it certain that the expressed wishes of donor will be consummated.

To All Good Fellows Like You!

*As I roam here and there, ere my journey's end,
May I always find friends just as true;
May Dame Fortune in kindness my daily path bend
To a lot of good fellows like you.*

*In this life I have found, that we get, what we give,
We are done to, forsooth, as we do;
So my prayer is that I may live, while I live,
With a lot of good fellows like you.*

*There's a glint in your eye, there's a clasp in your hand,
There's a tone in your voice always new;
I think Paradise must be some sort of a land
With a lot of good fellows like you.*

*Here's a pledge to your health, to your joy, your success,
For the folks of your kind are too few;
There is something to hearten, to gladden and bless
In a lot of good fellows like you.*

*So I pledge you again, and can only say this —
And it springs from a sentiment true —
I shall always regret every hour I must miss
From a lot of good fellows like you.*

NOTICE

It has been called to the attention of the Officers of Aleppo Temple that some of its members have been circularizing other members for business purposes, addressing them as Nobles.

This is in violation of Section 232 of the Imperial Council by-laws which is as follows:

Section 232. USE OF THE WORD NOBLE, ETC., AS ADVERTISING PROHIBITED. The use of the word "Noble", "Shriner", or any variation thereof, or any term, sign or symbol of the Order, for commercial or other business enterprises is prohibited. Any Noble violating this section may be suspended or expelled from the Order. Should the Temple of which the offender is a member neglect to take action, the Imperial Potentate may suspend such offender until the next regular session of the Imperial Council, at which session the suspension may be made permanent. Any Temple neglecting to take action in such a case is subject to having its charter arrested by the Imperial Potentate. Provided, however, that this section shall not apply to those who are regularly engaged in dealing in standard Shrine supplies, uniforms, regalia and emblems.

THE LESSER EVIL

"What? You want a raise in salary when you know darn well the concern isn't doing any business? You be satisfied with what you're getting — you're lucky I didn't make you a member of the firm!"

Freddy Goggin at the Police Station: "I would like to see the man who was arrested for robbing my house last night."

Capt. Skillings: "This is very irregular. Why do you want to see him?"

Freddy: "I just want to ask him how he got in without awakening my wife."

Recorder: "Do you believe in the hereafter?"

Delinquent: "Certainly I do."

Recorder: "Well, remember the dues you owe the Temple? That's what I'm here after."

OH, YEH?

Mrs. A: "What is your husband's average income?"

Mrs. B: "About one A.M."

"I surely like to take nice experienced girls home."

"Why, I'm no experienced girl."

"No, and you ain't home yet."

OH, OH!

A woman never really makes a fool of a man. She just directs the performance.

Caller: "I want to see the boss."

Office Girl: "Sorry, but he's in conference with the vice-president and general manager."

Caller: "Let me in, I know a funny story, too."

BETTER TIMES

"Times have changed."

"They certainly have. You used to see dogs running wild with tin cans tied to their tails, and now you see them riding in them with their noses up in the air."

BUT NOW

Her: "Before you married me you told me you were well off."

Him: "I was, but I didn't know it."

BUSINESS ROTTEN

Isn't it strange how, try as much as one may, everything goes "dead wrong" in the office on some days?

"How are you coming on?" asked one business man of another on one occasion.

"Oh, everything seems to be at sixes and sevens," was the reply. "The pencil has made a number of pointed remarks about the sponge being soaked all day and the waste basket's being full. The scissors are cutting up and the paper weight is trying to hold them down, while the mucilage is sticking around to see that the stamps get a good licking. The ink is well, but appears to be blue, while Bill is stuck in the file and the calendar expects to get a month off. The blotter has been taking it all in. The basket on the desk shows two tiers, the telephone has gone broke and can only operate with a receiver, and we hear reports all over the place."

Lost, Strayed or Stolen

Mail addressed to the following Nobles has been returned unclaimed. If you know of the correct address of any of these Nobles please advise the recorder.

*They never quite leave us, our friends who have passed,
Through the shadows of death to the sunlight above.
A thousand sweet memories are holding them fast,
To the place they blest with their presence and love.*
